

Fever

Wanda Jackson

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear

You give me fever, fever when you kiss me
Fever when you hold me tight
Fever, in the morning
Fever all through the night

Sun lights up the daytime
Moon lights up the night
I light up when you call my name
And you know I'm gonna treat you right

Everybody's got the fever
That is somethin' you all know
Fever isn't such a new thing
Fever started long ago

Romeo loved Juliet, Juliet, she felt the same
When he put his arms around her
He said "Juliet, baby you're my flame"
Thou giveth fever when we kisseth fever with the flaming youth
fever, I'm on fire, fever you have burnt forsoothe"

Captain Smith and Pocahontas had a very mad affair
When her daddy tried to kill him
She said "Daddy oh don't you dare
He gives me fever, with his kisses fever when he holds me tight
Fever I'm his Mrs, daddy won't you treat him right"

Now you listened to my story
Here's the point that I have made
Chicks were born to give you fever
Be it fahrenheit or centigrade

We give you fever when you kiss 'em fever when you live and learn
Fever, till you sizzle what a lovely way to burn
What a lovely way to burn
What a lovely way to burn
