

Great Speckled Bird

Wanda Jackson

What a beautiful thought I am thinking concerning the great speckled bird

Remember her name is recorded on the pages of God's holy word

Desiring to lower her standards they watch every move that she makes

But they long to find fault with her teaching but really they find no mistakes

I am glad I have learned of her meekness I am proud that my name is on her book

For I want to be one never fearing the face of my Savior's true look

When he comes descending from heaven on the cloud as he write in his word

I'll be joyfully carried to meet him on the wings of the great speckled bird
