

## How Important Can It Be

Wanda Jackson

How important can it be that I'd tasted other lips  
That was long before you came to me with a magic of your kiss  
So the story got around of an old romance and me  
But it happened oh so long ago how important can it be  
Mine was young and the foolish heart seeking love at every turn  
I have grown so much wiser now even foolish heart can learn  
Let the past just fade away why get lost in yesterday  
The important thing is here and now and our love is here to stay  
Mine was young...
