Try Me One More Time

Wanda Jackson

Yes I know I've been untrue and I have hurt you through and thr
ough
Please have a mercy on this heart of mine take me back and try
me one more time
If my darling you could see just what your leaving done to me
You'd know that love is still a tie that binds
And take me back and try me one more time

In my dreams I see your face but it seems there's someone in my
 place
Oh does she know you were once just mine take me back and try m
e one more time
If you will just forgive me now I'll make it up to you somehow
I'll promise never again to be unkind oh take me back and try m
e one more time
