

## Brotherhood

## War Of Ages

I will fight for you  
Take my hand  
I will fight for you  
Together we stand

Iron sharpens iron  
As one man sharpens another  
Carnally minded  
Will lead you on a path to death

Lead me through this life of flesh  
Through Christ we have been set free  
We are led by His love  
We are free from our fear

For we are saved by hope  
Hope placed in what is not seen  
We are free from our fear

Your glory shall be revealed in us

Reveal the Son of God
