

## Cut Throat

## War Of Ages

Death to your movement  
The fear, the fear is crippling  
Truth purged by evil  
Prepare, prepare your hearts for war

Crawling, crawling in the depths of our freedom  
Waiting, waiting for your death amidst the battlefield

Death to your movement  
The fear, the fear is crippling  
Truth purged by evil  
Prepare, prepare your hearts for war

Forcing, forcing yourself to play the victim  
Lies, lies of separation

We are rebellion  
Fight through corruption  
We are rebellion  
Fight through corruption

Death to your movement  
The fear, the fear is crippling  
Truth purged by evil  
Prepare, prepare your hearts for war
