Can I withstand all the pain that dwells within.

I won't let go for my wounds are far too deep.

I'm on my knees in submission to the pain I've caused.

Will I give in or can I find the will to breathe again.

I never thought I'd be on my own.

Now bring me peacethat shelters me.

You shed your blood just so I could live again.

For a time I walked in darness yet you were there to lead me through.

Hear me.

Take my hand.

Lead me from this place.

Guide my heart.
I am yours.

I give myself to you.

Bring us hope.

Give us strength.

Now set us free.
