

Don't Let No One Get You Down

War

Don't let no one, no one get you down
Cause if they do, if they do I'll be around
I want you near standing here by my side
So my dear wipe those tears from your eyes
Don't let no one, no one get you down
Cause if they do, if they do, I'll be around
I wanna see you round me all the time
I want you to know that I am yours and you are mine
Don't let nobody get you down
Don't let nobody get you down
I'll keep you free
I'll bring you up, never down
You keep me happy all the time
You keep me happy, happy, all the time
You you you you you you, you blow my mind
