

Wrathchild

Warlock

Just beyond the neonlights
Where the city is full of rats
It's a neverending fight
Between good 'n' evil
You must be strong
Or you will die

You've got the guts
And got the power
To break out -
So you ain't running

This is your story
It's all about you
Yeah it's all about you
- Wrathchild
You beat up everyone in your way
- Never satisfied
With a wall all around you

But you ain't gonna lose
'Cause you're the one
(Who can) break the chains
You ain't gonna lose
'Cause you're the one
To run through hell and flames
