

Choose Your Fate

Warrant

Don't really care if you cry
On the real you should've never lied
Should've saw the way she looked me in my eyes
She said baby I am not afraid to, die

Push me to the edge
All my friends are dead
Push me to the edge
All my friends are dead
Push me to the edge
All my friends are dead
Push me to the edge

Phantom that's all red
Inside all white
Like Shawn Daniels, ride a sled
I just want that head

My Brittany got mad
I'm really her man now
Everybody got the same swag now
One way that I trap now

Stackin' my bands all the way to the top
All the way till my bands fallin' over
Every time that you leave your spot
Your girlfriend call me like: Come on over
I like the way that she treat me
Gon leave you won't leave me, I'm callin' that Casanova
She said I'm insane yeah
I might blow my brain out
Xanny numb the pain yeah
Please, Xanny make it go away

I'm committed, not addicted but it keep controlling me
All that pain now I can't feel it, I swear that it's slowing me (yeah)

I don't really care if you cry
On the real, you should've never lied

Saw the way she looked me in my eyes
She said I am not afraid to, die

All my friends are dead
Push me to the edge
All my friends are dead
Push me to the edge
All my friends are dead (yeah)
All my friends are dead (yeah)
