Dirty rotten filthy \$tinking rich
Italian cars as long as my street
I'm gonna wear exotic animals
On my feet
Pretty rocks on my fingers
Pretty bells on my toes
Lots of caviar for my mouth
Maybe I'll even pierce my nose

Give me, give me just half a chance To lead you in this corporate dance And I'll be dirty rotten filthy \$tinking rich Hu Huu Ha Huu Ho Huu

Sign it all in the palm of my hand Nothing gonna get in the way Do you understand I got a house I got a jet I got a Rolls Royce painted blue

The only thing that's left Is for me to own you too

Give me, give me just half a chance To lead you in this corporate dance And I'll be dirty rotten filthy \$tinking rich Hu Huu Ha Huu Ho Huu

I'm gonna have more money than you have ever seen Baby I just want all the frills
I'm gonna insluate my body in green (mee too)
I'm going to light my cigarettes with \$100 bills

Give me, give me just half a chance To lead you in this corporate dance And I'll be dirty rotten filthy \$tinking rich Hu Huu Ha Huu Ho Huu

Give me give me just half a chance To take you on a hopeless romance And I'll be Dirty rotten fithy \$tinking rich

I told you what I want
I want bank accounts
And I want cd's
I want early term roll overs
I want everything!
