

Let It Rain

Warrant

I can't get up the nerve to call you
But I want to call so bad
To find out, who's holding on to
The most beautiful thing I ever had

Babe I guess I never really took the time
To show how much I care

Let it rain (rain)
Let it rain down on me
Hide these tears I'm crying
So no one can see
That I'm still not over you
But if you're over me
Let it rain (rain)
Let it rain down on me

We used to lay together like spoons
It was the only way I could sleep
And this pillow is a poor substitute
For your body next to me

I reach to pull you closer
And remember you're not there

Let it rain (rain)
Let it rain down on me
Hide these tears I'm crying
So no one can see
That I'm still not over you
But if you're over me
Let it rain (rain)
Let it rain down on me

The rain is not so bad after all
It camouflages every tear that falls
It cleanses me of all the blame
I've put upon myself
I hear your married now
Well I hope he treats you well
Oh let it rain

Let it rain (rain)
Let it rain down on me
Hide these tears I'm crying
So no one can see
That I'm still not over you
But if you're over me
Let it rain (rain)
Let it rain down on me

I can't get up the nerve to call you
