

# Only Broken Heart

## Warrant

Mary met a new guy  
Out on the strip last night  
He had the sweetest eyes  
Told her pretty lies  
Made feel her just right

She just wants to love someone  
And feel alive like the morning sun

Jimmy's got a rock band  
Playin' on the strip that's right  
Do the show get paid  
Get high and get laid  
Just like he did last night  
He just lookin' to have his fun  
He don't care about anyone

Late at night she's cold and lonely  
And she's feelin' like the only one  
And I wish that I could tell her  
When the morning comes around  
She's not the only broken heart in town  
Only broken heart in town

Mary gets all dresses up  
Goes out to surprise her man  
She caught Jimmy behind the dressing room door  
Pants down with some long legged fan

She didn't mean to kill no one, no  
In a jealous rage her deed was done

Late at night she's cold and lonely  
And she's feelin' like the only one  
And I wish that I could tell her  
When the morning comes around  
She's not the only broken heart in town

Only broken heart in town

Ten years lost in a prison cell  
With the same old sad sad tale to tell

Late at night she's cold and lonely  
And she's feeling like the only one  
Late at night she's cold and lonely  
And she's feelin' like the only one  
And I wish that I could tell her  
When the morning comes around  
She's not the only broken heart in town  
Only broken heart in town  
When the morning comes around  
Only broken heart in town  
When the morning comes around
