

Ridin' High

Warrant

I'm living just to live it up
Whoa yeah
Since the day that I was born
I've been rockin' round my block
Just a leather coated lover
With a tattoo on my heart

Now I'm going downtown
Feel I should strut my stuff, babe
Workin' on one track mind
And baby that's not all
Keep the motor running 'cause
I ain't got time to waste
I'm dressing for success
I guess I'm blessed with good taste

Ain't no dream you're seeing things
You've never seen before
Oh Yeah
Well I'm breathing down your neck
Knockign down your door, yeah

I'm living just to live it up
Ridin' high
Ridin' free
Gonna live it up
Before they bury me
Grade yourselves 103
Gonna live it up
Before they bury me

Hope the bury me

I'm living just to live it up
Ridin' high
Ridin' free
Gonna live it up
Before they bury me
Grade yourselves 103
Gonna live it up
Before they bury me

Gonna live it up
Gonna live it up
Riding High
Living just to live it up
