R: Oh baby, don't u rush, don't u crush
We gotta just take our time
Hush, girl just hush,
Don't say a word, I know what you like
Us, it's just us,
Turnin off my phone tonite girl
Crush, on you, crushin you tonite.

Every now and then I feel a little about it, The VIP get a little crowded, You should see the piece with the diamonds inside it It's so vibrant, platinum all around it When I take flight, how can I stay grounded Got the 2 6 pep boys been around it Shawty wanna shake the spot like right now 5 cut a cranberry saturn right now Mama got back, pretty little thang Kicked in the door with bullied out the game PYT, pretty young thang I told her cross over stop messin with the lames Switchin 4 lanes like money ain't a thang I got on 4 chains like money ain't a thang Yeah girl this is us tonight Take her back to the crib we gon crush tonight Right?

R:

So now we in the coup, starin through the roof Your face like a model your body through the roof Champagne by the bottle, now we in the loop I'm g'd up, with doc I be swimmin thru the loot Anything for my boo, from fashion to asprin I told pops u the one u could ask me Flashin the necklace, the ring like a fitty We can leave the country have sex in the city Any soakin the till takin shots like biggie I realised I got my own style like diddy Bb and carrots baby girl be shinin Old man ain't the only one throwin up diamonds Throwin up dollars yeah I gotta have it Laughin at the girls on the floor tryin to grab it I ain't spike lee but ma I gotta have it Don't blush baby girl just crush

R:

These 4 walls can't contain my love Girl can we take this to the balcony This lil bed just ain't large enough For the two of us Girl I hope your feelin me Oh girl

And girl it's just us so just hush You might get outta line the nine is gon bust You see the crushed, ice in your face Hit the cush, now u in space
Don't fuss we seein eye to eye
I push the 6 and pass by your 5
And rush hour in ya ride
Your girl by my side
We gon crush tonight right?

R:
