

They Lovin' Me Now

Warren G

Ooooo weee
See y'all lost confidence
Talkin with that nonsense keepin comets
This is compliments
From me to the industry
The locest G when you see one
When them G's come from where I'm from it's unspoken
Doggin' and locin', squabbin', jaw broken
We ain't hopin', we wish to tear this bitch
I ain't scared of shit I'm swift with the Smiff
And that motherfuckin Wessun
Droppin dope on fools with no questions
And thats a fact when I bust you ho's guessin'
True confessions
And many lessons get dealt with
From coast to coast and loc to loc
I won't go broke and smoke that smoke
That you choke

Is he allright?
Is he allright?
Is he allright?

They lovin me now
I get my way now, make 'em say "hey now"
Look and brake my pay down
Or I make my move on you
No other you foul
Can mess with my sound, up in your town
Laughin as we smike ponds
Ain't no stoppin me 'til I

Y'all don't wanna see the great game
With the way down
Bitch y'all take a change in the gate now
One: Dear Sabrine
Came right back
Where the fuckin monster on the team, like that
Our way our back boy
E-dub and fat boy
The realest, fuck the McCoy
Go get us
Why the fuck you think the gangsters in the game roll with us
Long as ritches when I ain't backslapin'
Checkin this bitches, that include bitch niggaz too
Let me holla after slugin you
Suck dick, show dollar motherfucker you
Start speakin on me wrong
If you mouth gotta move
Bitch I got the perfect thing to put your mouth on
My own like it should
Don't worry about what Boss do
Obviously doin good

Now it's a tip how they treat us Boss
But I ain't trippin it's a trip how we beat 'em Boss
And now we dippin'

64, Lac's, Bently's on D's
Hittin hood's and blocks climbin in the
Industry suckers and fake companies
All Y'all can eat on this
For not believein' in me, for trippin on me
You better check them stats while you hayin on me
I'ma 10 year motherfuckin vet'
From 2pac to Snoop and Dre I get my respect
Warren G, the Long Beach imperial
They lovin me now nigga and ain't nobody feelin you

They lovin me now
I get my way now, make 'em say "hey now"

Or I make my move on you
No other you foul
Can mess with my sound, up in your town
Laughin as we smike ponds
Ain't no stoppin me 'til I

I'm so dope
Man I ain't no joke
You see me comin in a crowd and smoke
?So baby why you take the toke?
Why you hang with loc's
Keep it real
And tell me how you feel
Mess with my money and it's time to kill
Cause I'm out to make a mill
I got to pay my bills
Aaa-aaa-aaaaaaaa
Don't make you hit you off in the jaw
Ooo-ooo-oooooooo
Ain't no tellin what the hell I do
Hee-eee-eeeeyyy
Man I'm comin' in the darkes way
Eee-eee-eeeeeee
It's the dopest in the industry
Industry
