

## New Year's Eve

Warren Haynes

Next year's gonna be better  
Next year will surely be the one  
And it's right around the corner  
Hell, it's just about begun  
So what am I still sitting here for  
When everyone's inside?  
What am I doing drinking whiskey  
And looking for a place to hide?

Yeah, old buddy, I sure miss you  
You and old "What's his name?"  
And I know if y'all were here now  
This party wouldn't be so damn lame  
There'd be dancing, and fighting,  
And cussing, and laughing  
Raise our voices to the sky  
Bring the new year in right  
Instead of watching time go by

Yeah, sometimes I wonder what  
The world would be like  
If I didn't have strangers as my best friends  
I'm sitting here on new year's  
Thinking 'bout old friends and old times  
We'll never see them again

Yeah, sometimes I still wonder what  
My life would've been like  
If I didn't have angels at my defense  
I'm sitting here on new year's  
Singing 'bout old friends and old times  
We'll never see them again

But next year's gonna be better  
Next year will surely be great  
Well, I guess I should say "This year"  
Geez, how did it get so late?  
What am I doing still sitting here for?  
When did everybody leave?  
What am I doing here drinking whiskey?  
Oh yeah, it's New Year's Eve
