

# She Quit Me

Warren Zevon

It wasn't the queen of diamonds that I drew first  
Instead I got the ace of spades reversed  
She quit me  
She up and quit me, man-yeah  
She quit me  
She up and she quit me

It wasn't because I didn't treat her right-no  
When dawn had drawn the curtains of the night  
She quit me  
She up and she quit me, man  
She quit me  
She up and quit me-yeah

It wasn't because I didn't treat her kind  
I wonder who put leaving on her mind  
She quit me  
She up and she quit me, man  
She quit me  
She up and quit me-yeah

It wasn't because I couldn't satisfy-no  
Now where'd she get the nerve to say goodbye  
Oh, she quit me  
She up and quit me, man-oh, yeah  
She quit me  
She up and quit me-yeah
