

Steady Rain

Warren Zevon

Silvery teardrops trickling down my windshield
Silvery teardrops trickling down my windowpane

Steady rain falls all night and day
And the vapors ride the wind away

I remember when the thunder hit the rainbow like a fist
And you kissed me with your face all duly wet
Once upon a time, I thought it would be easy to forget
But these misty memories of you are driving me insane, love

Steady rain falls all night and day
And the vapors ride the wind away

Shiny tears keep falling

Silvery teardrops trickling down my windshield
Silvery teardrops
Silvery teardrops
Silvery teardrops
Silvery teardrops
