The Long Arm of the Law

Warren Zevon

When I was young, times were hard When I got older it was worse First words I ever heard: "Nobody move, nobody get hurt"

It's the long arm, it's the strong arm
It's the long arm of the law
It's the long arm, it's the strong arm
It's the long arm of the law

After the war in Paraguay Back in nineteen ninety-nine I was laying low in Lima Working both sides of the borderline

It's the long arm, it's the strong arm It's the long arm of the law

You can run, but you can't hide

Well, I have to live like a fugitive Oh yeah, oh yeah Someone's coming after me And I'm running, running, yeah

Now, don't protest your innocence Only the dead get off scott free And when the judge says, "Whodunit?" You'll be crying, "Not me! Not me!"
