

Wanted Dead or Alive

Warren Zevon

I am wanted dead or alive
I'm wanted everywhere
I've got to survive
They say I am a violent man
Only trying to do the best I can
Dig it?

I am wanted dead or alive
Fifteen states I've got to survive
I am wanted dead or alive
I'm a new kind of man
I've got to survive

Running a long way

I am wanted dead or alive
I'm wanted everywhere
I've got to survive
Now all I'm trying to do
Is find a peaceful place
But they say I have an outlaw face
My lord, I have an outlaw's face
I have an outlaw's face
They say I have an outlaw's face
My, my, yes I have an outlaw's face
I have an outlaw's face
I have an outlaw's face
Oh my lord, I have an outlaw's face
Sweet God almighty, I have an outlaw's face
