

The Belly Of The Whale

Washington

You know it's easy to get me to stay
You know that you'd never fail
You know that it's easy to get me to stay
With you in the belly of the whale

You know I can't be where I am tonight
We're tying a twist in the tale
You know I can't be where I am tonight
With you in the belly of the whale

And I will sing for you
And slow your head down for a little while
Yeah, I will sing for you
Just don't ask me if this is what I want
'Cause I know that you know that it's not
Just don't ask me if this is what I want
'Cause I know that you know that it's not
