

# Holy Roar

Watermark

Trees of life are blooming and your word plants the seed  
And we see it growing, yeah  
Your kindness leading to repentance and we see traces of deliverance  
Lord, thank you for mercy, yeah

Oh, can you hear it? It's the song of the redeemed  
The pursuit of passion for the one who set us free  
Oh can you hear it? We're crying out for more  
And listen to our song, it's turning into a holy roar, a holy roar, yeah

Rivers of renewal, the spirit whisper a revival  
And He send us rushing, Lord, send us rushing  
Open hearts with hopes of unity, we're servants to love in lost humanity  
Lord, send us reaching, yeah

Oh, can you hear it? It's the song of the redeemed  
The pursuit of passion for the one who set us free  
Oh can you hear it? We're crying out for more  
And listen to our song, it's turning into a holy roar, a holy roar, yeah

And we come rejoicing and singing and crying out to You, Lord  
Can you hear the holy roar?  
As we come rejoicing and singing and crying out to You, Lord  
Can you hear the holy roar?

As we come rejoicing and singing and crying out to You, Lord  
Can you hear the holy roar?  
As we come rejoicing and singing and crying out to You, Lord  
Can you hear the holy roar?

As we respond to who You are  
And all that You have done  
Lord, with our lives, with all that we are  
We return to you, oh God, You are holy God

We lay down our lives, our songs, these tears, Lord  
Can you hear the holy roar? These cries, these prayers  
Can you hear the holy roar? Still hear the holy roar
