

Seek Me

Watermark

Seek me
And when you seek me, you will find me
And when you find me, you will know me
And I will not hold anything from you

Seek me
And when you seek me, you will find me
And when you find me, you will know me
And I will not hold anything from you

Wake up to my sunrise and tell me all your dreams
I will be to listen faithfully
I'm the one that sees in you, the glory of my Son
So for you there is no other now, I'm the only one

Seek me
And when you seek me, you will find me
And when you find me, you will know me
And I will not hold anything from you

Seek me
And when you seek me, you will find me
And when you find me, you will know me
And I will not hold anything from you

Come now to my table that I've prepared for you
You don't have to be ashamed to come into my view
And you don't have to be afraid that I will see those wounds
'Cause my table covers everything it will always cover you

Seek me
And when you seek me, you will find me
And when you find me, you will know me
And I will not hold anything from you

Seek me
And when you seek me, you will find me
And when you find me, you will know me
And I will not hold anything from you

La la, la la, la la, la la, la la la
You don't have to be afraid
I will take you as you are
You can come into my presence and give all you are

Seek me
And when you seek me, you will find me
And when you find me, you will know me
And I will not hold anything from you

Seek me
And when you seek me, you will find me
And when you find me, you will know me
And I will not hold anything from you

Seek me
And when you seek me, you will find me

And when you find me, you will know me
And I will not hold anything from you

I will not hold anything from you
I will not hold anything from you
Seek me, when you seek me, you will find me
