

# Ink Don't Bleed

Watsky

Some got hits about the racks that they earn  
Say there's Benjamins and Jacksons in their pocket to burn  
But when they shoot the video producers pass around a bucket full of rented  
jewelry for them to rock and return  
I know a straightedge rapper who acts like a sheep herder  
A vegan on the mic who's screaming that meat's murder  
but when everybody's sleepin, he be creepin  
slugging back the whiskey, hating himself and sneakin a cheese burger  
There's a pop idol at the top of the charts  
and while her record's being cut she's on the beach in St. Barts  
while a session singer who didn't have the face to make it  
signs a nondisclosure agreement and belts out her parts  
It's hard, cause I got bars that are big uppinn Woody Allen  
But maybe he's a predator who's digging in his talons  
there's a balance and often i don't know how to feel  
In a fake and tainted world, seek the real

Now I can't change the past but a man's gotta man up  
It's hard to believe sometimes I get the best of me  
Now, I'm doing what I can but I'm a man not a damn chump  
I can say it if you need, but I'd rather let the ink bleed

We dismiss our heroes' skeletons no matter how grim  
my fans saying "I'd be honored to be injured by him"  
well fam, this branch is thin, but i'll go out on a limb  
to say she didn't love her ulna poking out of her skin  
being pumped full of morphine and tied to machines  
they cut off my jeans, I heard her in the ambulance scream  
she's in school to do tattoos and might've had nerve damage  
So I could've cost a girl a chance at her dream  
Meanwhile he pops painkillers, until the dude is numb  
knew I was a stupidass just not that I'm a ruthless one  
youth is easily influenced so should you be rooting for me  
if I touch a thousand lives but on the way I ruin some  
the rule of thumb is all publicity's your advantage  
but human lives are not collateral damage  
bandage the wound and then vanish, blank as the newest of canvases  
when they zoom in the cameras give em the truth

I can't change the past but a man's gotta man up  
It's hard to believe sometimes I get the best of me  
Now, I'm doing what I can but I'm a man not a damn chump  
I can say it if you need, but I'd rather let the ink bleed

Megachurch leaders sleeping with male hookers  
mayors hitting crackpipes with their cookers  
Each week a crooked politician gets caught  
we're not shocked when they're cheaters, these days we're shocked when they'  
re not  
are they the person you thought? if they're perfect and hot  
often we blame the victim, scoffing "they deserved what they got"  
actors sweep it under the rug and resume with the plot  
but they're amateurs and we can see the boom in the shot  
If perception is reality then this could be a shocker  
I've done my share of fucked up things that didn't get on Gawker  
lots of tiny indiscretions way beyond the public eye  
that if you saw would out probably out me as a complicated guy

Mike says you gotta separate a person from their art  
but if the art's about that person you can't pull 'em apart  
so you better watch the choices that you makin now because  
they aren't something that matter, they're the only thing that does

Everything they say conflicts with everything I do  
But I must admit I did it so I guess it might be true
