

Planting a Garden

Wavves

Suzy's planting a garden
And we're watching it bloom
But Suz don't love me
She loves who she thinks that I am
And I hate her for it
I hate her for it
Suz don't love me

Suzy plays in the garden
And I got there around noon
But Suz don't love me
She loves who she thinks that I am
And I hate her for it
I hate her for it
Suz don't love me

It's not enough I told you I was sorry, babe
I never meant to hurt you or make you cry

Suzy's planting a garden
And we're watching it bloom
But Suz don't love me
She loves who she thinks that I am
And I hate her for it
I hate her for it
I hate her for it
I hate her for it
