

Hey Mary

Wax

That's from the top right?

Uh (Okay), yeah

I'm talkin' to you, girl

Mmm

Bring it in

Uh

Ayy

Yeah, yeah

Hey Mary

I got everything I need

I got a studio, a 12 pack, and a fat bag of weed (Uh)

But the one thing I'm missin' (What's that?)

Is your loving and your kissin', come give it to me

(Come give it to me)

Hey Mary

I know that you're all alone

And I been thinkin' back to you while I'm rockin' on this microphone (Yes I have)

Ayy

And I bet it'd be much funner

If you hopped in your four runner

And you came to my home

Make a visit to my home

Ayy

Some guys just want alcohol

Other dudes only want weed (Only want weed)

Some guys just want pussy

But me, I'm in need of all three

Come give it to me, Mary

Ayy, give it to me (Uh)

Hey

You thought I was gonna come in right there, didn't you Mary?

(Fuck was that?)

You didn't get the sheet music? What's going on?)

But that's not true, uh

Hey Mary

I don't mean to sound pushy (Ooh)

But I know you at home on your couch watching reality TV

So jump in that Toyota

And drive your fine ass over (Skrrt) expediently (Expediently)

Hey Mary

I hear your knocking on my door (Uh)

And I consider that a success 'cause that's what I wrote this song for, uh
Yo, so I'm gon' stop my strummin'

And we gon' get to this lovin' on the studio floor

I like to fuck to rock 'n' roll

I like to fuck to rock 'n' roll

I like to fuck to rock 'n' roll

I like to fuck to rock 'n' roll

I like to fuck to rock 'n' roll

I like to fuck to rock 'n' roll
