

Coast to Coast

Waxahatchee

[Verse 1]

Treacherous, empty
Alert on the backseat
Visiting disgrace
Each dull face or first name
You scan the AM for "Coast to Coast"
I'll try to embrace the lows

[Bridge]

Woo ooh ooh oohhhhhhh
Woo ooh ooh oohhhhhhh

[Verse 2]

We lay at night

Cursing our stage fright
Or leading our own lives
Into the empty night
When you've indulged every reckless whim
What is the weight of all your weakness?

[Outro]

Woo ooh ooh oohhhhhhh
Woo ooh ooh oohhhhhhh
Woo ooh ooh oohhhhhhh
