

It's All Over Now

Waylon Jennings

Well my baby used to stay out all night long she made me cry she
done me wrong
Come home each morning tellin' me them same old lies
But now table has turned and it's her turn to cry
Because I used to love her but it's all over now

Oh yes I used to love her but it's all over now
Well she started runnin' round with every man in town
Spending all my money playin' a high class game
She would never change no matter how I tried

But the table has turned and it's her turn to cry
Because I used to love her...
I used to wake up in the morning get my breakfast in bed
When I was worried she would ease my achin' head

Now she's here and there with every guy in town
Still tryin' to take me for that same old clown
Because I used to love her...
