

## Gonna Be Some Trouble

Wayne Hancock

Well I went to see my gal the other day  
Landlord said she done moved away  
Just pulled out on me, now brother  
I'm a pitiful sight  
Well I'm gonna get loaded  
Go out on the town  
Cause I'm so lonesome  
When the sun goes down  
Some time around 2:00  
There's gonna be a fight  
Feelin' might froggy and there's  
Gonna be some trouble tonight

Well my good gal's gone  
She ain't comin' back  
I'm sittin' here alone by the railroad track  
I'm gonna cry all night and  
Drink in the soft moonlight  
Well I'm gonna get loaded  
Go out on the town  
Look out lord, I'm jailhouse bound  
I ain't searchin for love  
I'm lookin' for a fight  
I'm feelin' mighty froggy and there's gonna  
Be some trouble tonight
