

Life On The Road

Wayne Hancock

I'm gonna top off my tank
Get loaded with provision
I'm leavin' town right now
Goin' on another mission
Gonna drive straight through four states
And do a three hour show
Man it sure beats diggin' ditches
Livin' life on the road
Ain't gotta pay no rent
Or worry about no deals
Can drift up in a dream
To the rumble of the wheels
Never have to worry now
How I get my meals
(uhn-ah, baby)
Every bit I own
Livin' life on the road
Well there's I-10 west,
I-40 east,
Thirty-five to Minnesota
Fifty-nine to New Orleans
A gal down in Louisiana
Really know how to swing
Lord I never get down low
Livin' life on the road
All right man, let's go!

Well there's I-10 west,
I-40 east,
Thirty-five to Minnesota
Fifty-nine to New Orleans
A gal down in Louisiana
Really know how to swing
Lord I never get down low
Livin' life on the road
Yeah, it's the only way to go
Livin' life on the road
