

# Keep On Singing' My Song

Wayne Wonder

I woke up this morning with a smile on my face  
And nobodys gonna bring me down today  
Been feeling like nothings been going my way lately  
But i decided right here, right now, that my outlooks gonna change  
That's why i'm gonna  
Say goodbye to all the tears i've cried every time somebody  
Hurt my pride feelin like they won't let me live life, and take  
the time  
To look at what is mine

I see every blessing so clearly, and i thank god for  
What i got from above

I believe they can take anything from me  
But they can't succeed in taking my inner peace from me  
They can say all they wanna say about me, but i'm  
I'm gonna carry on, (carry on)  
I'mma keep on (keep on) singin' my song

I never wanna dwell on the pain again, there's no use in relivin'  
How i hurt back then rememberin' too well the  
Hell i felt when i was runnin' out of faith  
Every step i'm 'bout to take well it's towards a better day  
Cause i'm about to  
Say farewell to every single lie and all the fears  
I've held too long inside  
Every time i felt i couldn't try, all the negativity and strife

Cause too long, i've been strugglin', couldn't go on  
But now i've found i'm feelin' strong and  
I'm moving on

Every time i tried to be what they wanted from me  
It never came naturally, so i ended up in misery  
Was unable to see all the good around me,  
Wasting so much energy on what they thought of me  
Than simply just remembering to breathe, i've learned  
I'm humanly unable to please everyone at the same time  
So now i find my peace of mind living one day at a time

In the end i answer to one god, comes down to one love  
Till i get to heaven above  
I have made the decision never to give in till the day  
I die no matter what  
I'm gonna carry on , i'mma keep on singin' my song
