

Be My Baby

We Are Scientists

The night we met I knew I
Needed you so
And if I had the chance I'd
Never let you go

So won't you say you love me?
I'll make you so proud of me
We'll make them turn their heads
Every place we go

So won't you please
(Be my, be my baby) Be my little baby
(My one and only baby) Save me my darling
(Be my, be my baby) Be my baby now
(My one and only baby) Woah-oh-oh-ohh

I'll make you happy, baby
Just wait and see
For every kiss you give me
I'll give you three

Oh, since the day I saw you
I have been waiting for you
You know I will adore you
Until eternity

So won't you please
(Be my, be my baby) Be my little baby
(My one and only baby) Save me my darling
(Be my, be my baby) Be my baby now
(My one and only baby) Woah-oh-oh-ohh

So won't you please
(Be my, be my baby) Be my little baby
(My one and only baby) Save me my darling
(Be my, be my baby) Be my baby now
(My one and only baby) Woah-oh-oh-ohh

(Be my, be my baby) Be my little baby
(My one and only baby) Save me my darling
(Be my, be my baby) Be my baby now
(My one and only baby) Woah-oh-oh-ohh
