Making a Go

We Are Scientists

It makes no sense, I know But I can explain Yeah I can explain The link between the coasts Well I can explain Well I can explain I'm making a go (Making a go) I'm making a go (Making a go) I'm making a go (Making a go) Of it I watch it fall apart It's never the same It's never the same I know it's all my fault But I can explain I can explain I'm making a go (Making a go) I'm making a go (Making a go) I'm making a go (Making a go) Oh oh ohhh I don't know what they're saying (Woahhh) But this time I don't need saving I'm making a go (Making a go) Of it
