

Nobody Move, Nobody Get Hurt Under the Sea

We Are Scientists

The day, you move, I'm probably gonna explode
It's true, I'm probably gonna explo-oh-oh-oh-oooh
Woah-oh-oh-oh-oooh
You'll pray, for proof, I'm probably makin' this up
It's true, I'm probably makin' this u-uh-uh-uh-oooh
Woah-oh-oh-oh-oooh
Because...

My body is your body
I won't tell anybody
If you wanna use my body
Go for it, yeah
My body is your body
And I won't tell anybody
If you wanna use my body
Go for it, yeah
Go for it, yeah

If no-one moves, then nobody's gonna get hurt
Don't move, 'cause nobody wants to get hu-uh-uh-uh-oooh
Woah-oh-oh-oh-oooh
We'll pray, for proof, I'm probably makin' this up
It's true, I'm probably makin' this u-uh-uh-uh-oooh
Woah-oh-oh-oh-oooh
Because...

My body is your body
I won't tell anybody
If you wanna use my body
Go for it, yeah
My body is your body
I won't tell anybody
If you wanna use my body
Go for it, yeah
Go for it, yeah

Because...

My body is your body
I won't tell anybody
If you wanna use my body
Go for it, yeah
My body is your body
I'm not just anybody
If you wanna use my body
Go for it, yeah
Go for it, yeah
