

# Deliverance

We As Human

Its time for bed. Go to sleep little ones.  
Rest your head. Daddy loves you, he loves you.  
The worlds asleep, but there's no sleep for me.  
I feel the nudge, to fill my veins with these drugs.

I, I hate myself, for who I am, for what I've done.  
I just need some deliverance. Cause I hate myself, for who I am  
, for what I've done.  
I just need some deliverance.

(Just need some deliverance.)

I'm so afraid, cause this addiction won't break.  
It takes and takes. And leaves me nothing, with nothing.  
I feel alone. I feel there's nobody out there. I'm all alone.  
I could just end this right here.

Cause I, hate myself, for who I am, for what I've done.  
I just need some deliverance. Cause I, hate myself, for who I a  
m, for what I've done.  
I just need some deliverance.

(and this one day I met you and you took it all away)

I, no longer hate myself, for who I am, and the things I've don  
e.  
Jesus you're my deliverance.  
Cause I, no longer hate myself, for who I am, and for the thing  
s I've done.  
Jesus you're my deliverance.  
oh, Jesus you're my deliverance.  
You came down.  
Jesus you're my deliverance.
