I was Thinking about the times I've known you I was Can you? Can you recall a certain moment Can you? Living your life for all the things you Lust for Run free Baby, you know I'll make for us to Run free Someone Someone's gonna take you You're ready, you're ready To feel it Feel it when it makes you, oh oh With this feeling You know where it takes me Where no one can see you But someone Someone's gonna take you In you Giving your love is so so so In you Lust for Never give up on all the things you Lust for As it As it rolls away and over Run free Baby, you know I'll make for us to Run free Someone Someone's gonna take you You're ready, you're ready To feel it Feel it when it makes you, oh oh With this feeling You know where it takes me Where no one can see you But someone

Someone's gonna take you

Someone
Someone's gonna take you
You're ready, you're ready
To feel it
Feel it when it makes you, oh oh
With this feeling
You know where it takes me
Where no one can see you
But someone
Someone's gonna take you
