

Check Yes Juliet

We the Kings

Check, yes Juliet, are you with me?
Rain is falling down on the sidewalk
I won't go until you come outside

Check, yes Juliet, kill the limbo
I'll keep tossing rocks at your window
There's no turning back for us tonight

Lace up your shoes
Here's how we do

Run, baby, run, don't ever look back
They'll tear us apart
If you give them the chance

Don't sell your heart
Don't say we're not meant to be
Run, baby, run, forever will be you and me

Check, yes Juliet, I'll be waiting
Wishing, wanting yours for the taking
Just sneak out and don't tell a soul goodbye

And check, yes, Juliet, here's the countdown
3, 2, 1, you'll fall in my arms now
They can change the locks
Don't let them change your mind

Lace up your shoes
Here's how we do

Run, baby, run, don't ever look back
They'll tear us apart
If you give them the chance

Don't sell your heart
Don't say we're not meant to be
Run, baby, run, forever will be you and me

We're flying through the night
We're flying through the night, way up high
The view from here is getting better
With you by my side

Run, baby, run, don't ever look back
They'll tear us apart
If you give them the chance

Don't sell your heart
Don't say we're not meant to be
Run, baby, run, forever will be

Run, baby, run, don't ever look back
They'll tear us apart
If you give them the chance

Don't sell your heart

Don't say we're not meant to be
Run, baby, run, forever will be you and me
You and me, you and me
