

# Sleep with Me

We the Kings

Hey there, hey, hey someday  
Can I wake up with you  
Hey there, hey, don't delay  
That's the last thing you should do  
Won't you take my remedy  
I got cheap words and wine  
Have a drink, say anything  
And I'll sing you a lullaby

So baby, are you in or are you out, now  
Tell me if you're lonely in this crowd  
I am paying overtime  
And you're the only game  
In town

Baby, sleep with me  
You got my heartbeat beating tonight  
Sleep with me  
Will I see you when I open my eyes?  
Baby, sleep with me  
So wake up here in my arms  
Sleep with me  
I want you to want no one else  
Other than me

Hey there, hey, don't hesitate  
I've been waiting too long  
Hey there, hey, believe in me  
Cause all your friends are wrong

So baby, are you in or are you out, now  
Tell me if you're lonely in this crowd  
I am paying overtime  
And you're the only game  
In town  
(1, 2, 3, 4!)

Sleep with me  
You got my heartbeat beating tonight  
Sleep with me  
Will I see you when I open my eyes?  
Baby, sleep with me  
So wake up here in my arms  
Sleep with me  
I want you to want no one else  
Other than me

Do you  
Even know  
How you light the room  
I was blinded  
But now I see  
The only thing I want  
Is you and me

Sleep with me  
Sleep with me

Sleep with me  
You got my heartbeat beating tonight  
Sleep with me  
Will I see you when I open my eyes?  
Baby, sleep with me  
So wake up here in my arms  
Sleep with me  
I want you to want no one else  
Other than me
