

What I Wouldn't Give

We the Kings

It's hard enough to find the words to say
It's hard to find a way to be okay
A mother's love can never be replaced
But what I wouldn't give for one more day

And I, I would give my eyes
If I could see you one last time
And I, I would give me arms
If I could hold you into mine
And I, I would give my lungs
If I could feel your air inside
Oh and I, I would take your place
So you could stay the rest in mine
There's nothing I wouldn't give for time

I think about your smile, ear to ear
I'll miss you more with every single year
But you made us promise, no more tears
Still what I wouldn't give to have you here
Oh-whoa

And I, I would give my voice
If I could hear you one last time
And I, I would give my all
To feel your heart beat next to mine
And I, I would give my soul
If I could ever change God's mind
Oh and I, I would take your place
So you could stay the rest in mine
There's nothing I wouldn't give for time

And I know you're here with me
Forever standing by my side
And I, I can feel your love
Every time I close my eyes
And I know there's no more pain
And you won't ever have to fight
I know you're here watching over me
'Cause you're the angel in my life
And I know that I will see you in time
I know that I will see you in time
