

# What You Do to Me

We the Kings

I want to be the picture on your wall  
I want to chase you around until we fall  
I want to be the one you write about  
I want to be the one who never lets you down

Right now I feel like I'm  
Losing control  
Losing control

Hey, hey, hey, hey  
My head is spinning cause of you  
Hey, hey, hey, hey  
You've no clue what you do  
You're the storm, and the rain  
You've got eyes like a hurricane  
Hey, hey, hey, hey  
You've no clue what you do to me  
You've no clue what you do to me

I can make you laugh until you cry  
I can tell your mood just by your eyes  
I can sleep with your head on my cheek  
And I could be the one you never want to leave

Right now I feel like I'm  
Losing control  
Losing control

Hey, hey, hey, hey  
My head is spinning cause of you  
Hey, hey, hey, hey  
You've no clue what you do  
You're the storm, and the rain  
You've got eyes like a hurricane  
Hey, hey, hey, hey  
You've no clue what you do to me

And we'll both fall, we'll lose it all  
We'll have each other  
And we won't make the same mistake  
Cause we have had it together  
And we're both smarter than before  
We have been through the world  
And we know that there is more  
When you find the one that you're looking for

Hey, hey, hey, hey  
My head is spinning cause of you  
Hey, hey, hey, hey  
You've no clue what you do

Hey, hey, hey, hey  
My head is spinning cause of you  
Hey, hey, hey, hey  
You've no clue what you do  
You're the storm, and the rain  
You've got eyes like a hurricane

Hey, hey, hey, hey  
You've no clue what you do to me  
You've no clue what you do to me  
You've no clue what you do to me
