

If It Happens

We Were Promised Jetpacks

If it happens then it happens
If it doesn't then it doesn't
And I'm not going to lose any sleep about it
And I'm not going to feel any shame about it anymore

All I wanna do is get high and enjoy the view now I'm here

And all I wanna do is get high and enjoy that view

If I fall on my sword
Would you question why I'd fall in such a stupid spot
And I'm not gonna kick up a fuss about it
Cause you can't make me feel any worse about it than I do

All I ever wanted was a future
Somewhere to sit and paint a bigger picture
Somewhere to rest my head and face the music
And all I wanna do is get high and enjoy that view now I'm here

And all I wanna do is get high and enjoy the view
There's always another
Rung on the ladder
Let's hang on a minute and stay where we are

And all I wanna do is get high and enjoy the view
There's always another
Rung on the ladder
Let's hang on a minute and stay where we are
