If I see its round the road Ill be Ill be like  
And your ethe only one I told you, one of the kind  
I go this all the way for you I think will.  
I came from the bottom to the top, bottom line  
Sometime we kiss, sometime we dont in a long time  
But still gonna be toghther forever  
Thatá a long time  
...with the pain that will really last  
Eventually we call off  
Were just a really...  
You know I say Im the surreder of a long fight  
We just slap and apologize all night  
I come to tell you mama how I ...  
.standin in the whole new zone...  
And do what ever...  
Walking and smiling  
So happy you start crying  
And we promise we got .through the good through the dramas  
We aint even got the ...  
I stat balling bumping up when she .  
Sugar, dont tell me how I do, what I do  
Crazu and just living it just killing it  
I stat balling bumping up when she .  
Sugar, dont tell you how I do behind you  
Crazy and just living it just killing it  
You feel like every way but feeling me  
Man I move and tripping I hear wedding bells  
Yeah you bust me ...yeah you know we never failed  
And Ill be hurt cuz you hrt something now I need a real  
Dont lie, the tears wont cry  
Your face gonna smile and your ears gonna ...  
I the rich will bump a ...not to say that I was real  
...some places no Im out of here  
Reason in my honey moon like the way I breath in  
...i aint blow shitting  
Im ready to say I do, I say it loaud and proud  
Im just asking whats gonna happened if I bring my ball  
Will you bang me and understand me  
Teh fcuking diferent whore, fucking to say my man  
And another woem told that giu should be ...  
Acting like a .she just couldnt understand me

Sugar, dont tell you how I do behind you  
Crazy and just living it just killing it  
Were the deal you might win  
But my crazy its ...to lose a friend  
And its screaming in the balling this shit  
And Lord I know I doint wanna gop through helll  
Look me in my eyes and promise me that its just that  
We went to the top I promise you that; s the plan  
And you know my ways and you pull up  
Cut all my stuff and all my ...for all the days  
Bicth you crazy  
And you knmow I keep you mine

You know I bust my hand to see you here  
And you beat as me ...  
And npow we rich if you really pay attention  
There are a lot of pretty bicthes  
And I wanna spend the rest but with you  
Like you make me stronger you never thought ...  
Thats what I got you  
But before you think youre are too  
I dont switch  
Im so caught and bumping hard with you baby  
Im so caught up bumping on with you baby  
Sugar, dont tell you how I do behind you  
Crazy and just living it just killing it
