

Return To Me

Weeping Willows

I know what you've done behind my back, my love
I know you're ashamed, so I won't ask, my love
I know that you know it's the wrong track, my love

It don't change a thing for me
You don't have to say a word 'cause I've got eyes to see
I can't help the way you feel
Return to me

I know what you've done, but what can I do, my love
And when you smile, I smile with you, my love

It don't change a thing for me
You don't have to say a word 'cause I've got eyes to see
I can't help the way you feel
Return to me
Return to me

I know what you've done, but life must go on, my love
I know that you know where you belong, my love

It don't change a thing for me
You don't have to say a word 'cause I've got eyes to see
I can't help the way you feel
Return to me
Return to me
Return to me
