

## Skin On Skin

## Weeping Willows

Look into my eyes and you will see  
How much you mean to me  
And the trembling hands Im holding out  
They're eager to receive.  
The sweet is never sweet  
Without the sour.  
My mouth is full of words and clues  
Waiting to be heard by you  
Skin on skin  
Skin on skin  
Please let me in  
Skin on skin  
Please let me in  
Under your wing.  
I don't want to talk about  
The feelings that I have for you  
I just want to hear your beating heart  
And let the silence glow.  
The sweet is never sweet  
Without the sour.  
My mouth...
