

Strange Little Soul Birds

Wendy Rule

Visions that
Ive seen
Voices that
Ive heard

Love has brought me
To this shore
Strange little
Soul bird

Strong as
An eagle
Frail as
A sparrow

How can love
Be made to walk
A path that

Is narrow

Choices tear
Me apart

Find the nail
Thats driving
Deep into
My heart

Whispering
Secrets
Finding the
Right word

Let me open
To your song
Strange little
Soul bird

Deep in the
Wild wood
Strong flows
The river

Sweet the
Solitary night
My soul birds
Deliver

Freedom calls
Like the sky

What will live
And what within me
Is doomed
To die

Strong as
An eagle
Frail as
A sparrow

How can love
Be made to walk
A path that
Is narrow

Choices tear
Me apart

May the soul bird
Come and
Liberate
My heart

Choices tear
Me apart
