

End of Time

Westlife

On the day we met, no I won't forget
Something in your eyes lit up in me
Like an empty space that I could not face
Suddenly you made my life complete

And I'll be yours

So dry your eyes
I'll be there to hold you in the night
And please don't cry
I will love you til the end of time
Until the end of time

Until the end of time

When I'm old and grey, til my dying day
I'll be there to sweep you off your feet
I will help you stand, I will hold your hand
I'll be there when hope is out of reach

And I'll be yours

So dry, dry your eyes
I'll be there to hold you in the night
And please don't cry
I will love you til the end of time
Until the end of time

I will love you til the end of time

There'll be times when we lose our minds
Get caught in the longest nights
But I'll be holding on (I'll be holding on)
Til the seas dry up and the sun burns out
I know that there is no doubt
I'll be holding on forever

So dry your eyes
I'll be there to hold you in the night
(I'll be there to hold you in the night)
So please don't cry (Don't cry)
I will love you til the end of time
(I will love you til the end of time)
Until the end of time
I will love you til the end of time
Until the end of time
