

# Fool Again

Westlife

Baby, I know the story  
I've seen the picture  
It's written all over your face  
Tell me, what's the secret  
That you've been hiding  
Who's gonna take my place

I should've seen it coming  
I should have read the signs  
Anyway...I guess it's over

Can't believe that I'm the fool again  
I thought this love would never end  
How was I to know  
You never told me  
Can't believe that I'm the fool again  
And I who thought you were my friend  
How was I to know  
You never told me

Baby, you should've called me  
When you were lonely  
When you needed me to be there

Sadly, you never gave me two many chances  
To show how much I care

I should've seen it coming  
I should have read the signs  
Anyway...I guess it's over

Can't believe that I'm the fool again  
I thought this love would never end  
How was I to know  
You never told me  
Can't believe that I'm the fool again  
And I who thought you were my friend  
How was I to know  
You never told me

About the pain and the tears  
Oh, Oh, Oh  
If I could, I would  
Turn back the time

I should've seen it coming  
I should have read the signs  
Anyway...I guess it's over

Can't believe that I'm the fool again  
I thought this love would never end  
How was I to know  
You never told me  
Can't believe that I'm the fool again  
And I who thought you were my friend  
How was I to know  
You never told me

Can't believe that I'm the fool again  
I thought this love would never end  
How was I to know  
You never told me  
Can't believe that I'm the fool again  
And I who thought you were my friend  
How was I to know  
You never told me
