

## Clementine

Wet

Takes time to put it to the test  
Sometimes I only make a mess  
Sunshine, forget about the rest  
After a while, I still think you're the best

So fun, we said so many times  
(Do you love me) like you love Clementine?  
Sometimes you make me sad  
Some things, they never end

Some things, some things, some things never end  
They're always

So, I decide I need you, I need you, I need you, I need you  
In my life  
There's nothing more that's on my mind  
I decide I need you, I need you, I need you, I need you  
In my life  
There's nothing more that's on my mind

My body's grieving what's dead and gone  
I'm holding on to what's over and done  
It's never enough, I see you giving up  
You changed my heart, a love that carried me up

Some things, some things, some things never end  
They're always

So, I decide I need you, I need you, I need you, I need you  
In my life  
There's nothing more that's on my mind  
I decide I need you, I need you, I need you, I need you  
In my life  
There's nothing more that's on my mind  
I decide I need you, I need you, I need you, I need you  
In my life  
There's nothing more that's on my mind
