

No Lie

Wet

My baby, he don't love me
No more, no more
My baby, he said he loved me
But that's a lie
No more lies

The time I have wasted
But I've had enough
You put me on and on and on and on and on
Time to give up

The time I have wasted
But I've had enough
You put me on and on and on and on and on
Time to give up

Rain keeps falling, you don't call me
I can't chase this, I'm so anxious

My baby, he said he loved me
A thousand times
They're all lies

My baby, he said he needed me
But now he's gone
I'm all alone

The time I have wasted
But I've had enough
You put me on and on and on and on and on
Time to give up

The time I have wasted
But I've had enough
You put me on and on and on and on and on
Time to give up

The time I have wasted
But I've had enough
You put me on and on and on and on and on
Time to give up

The time I have wasted
But I've had enough
You put me on and on and on and on and on
Time to give up

On and on and on and on and on
On and on and on and on and on
On and on and on and on and on
But I've had enough
On and on and on and on and on
On and on and on and on and on
